Secretary's Report Including Proceeding of EC meeting held on 21st Dec. 2006 at Akash Club in Madurai was read.

President requested Treasurer to present his report. Dr. Sahu asked the explanation about the miscellaneous income mentioned in the Report. Treasurer replied that it has come from the advertisement published in newsletter in favour of Sains University Malaysia. Dr. Bhatoi proposed it and Dr. K. Bhattacharya Seconded. Dr. Kalairajan handed over a cheque of Rs. 7,05,400/- (registration fee + shall amount) to the Treasurer, NSI. In History of NSI, this was done for the first time for which organizing secretary was congratulated. President expressed that this should from a good precedence for the future.

President requested Dr. Rajshekhhar to Present CME Convenor's Report. It was pointed out that the CME book should also be available in CD. The report was proposed by Dr. Sarla Menon and seconded by Dr. Karam Chand Sharma

President requested the Editor to Present his report. Dr. B.K. Mishra suggested that abstracts should be published in Neurology India and Organizing Secretary of the conference should send the abstract to the Editor. Dr. K. Bhattacharya suggested that abstract publication should come out after the conference. The Editor's Report was Proposed by Dr. K. Bhattacharya and seconded by Dr. Ashish Pathak. Dr. B.S. Sharma suggested that articles from India should be given Preference for publication in Neurology India. Editor assured that more articles from India will be published henceforth. Dr. Narayan Swami Pointed out that the papers in neurology were of low standard.

Dr. Ramchandran suggested that a Provision should be made to deposit ballot papers at conference venue also. Dr. Taoari felt that if a single member feels some doubt about the Process it should be given weightage. Dr. B.K. Mishra suggested to have candidate is representative at the time of counting. Dr. K. Dr. Naidu suggested that election should be held at conference venue.

Dr. Kailairajan suggested that the time of GMB should be changed. And it may be incorporated in between the business sessions. Whereas, Dr. Taoari said that changing of time and incorporated of GBM between the sessions may spoil the academic sessions by spilling over. Dr. Ramchandran expressed concern over less attendance by Neurologist in NSI conferences. He suggested that a joint meeting of NSI and IAN should be organized once in 2-3 years and

symposium should be on the topics of common interest to neurosurgeons and neurologist. Dr. Thomas Joseph also suggested a joint conference of IAN and NSI every 2-3 years. The NSI website should be update and the NSI constitution should also be put on the website. The meeting ended with vote of thanks to the chair.
