

November-December 2018

Vascular

Fusiform internal carotid artery aneurysm with subarachnoid haemorrhage.

Microsurgical clipping

Basant K. Misra, Narendra Motarwar

Department of Neurosurgery, P D Hinduja National Hospital, Mumbai

Microsurgical clipping of basilar apex aneurysm

B. Ravi Mohan Rao

Department of Neurosurgery, Apollo Hospitals, Seshadripuram, Bengaluru

Excision of left superior temporal gyrus arteriovenous malformation using awake craniotomy and language mapping

B. Ravi Mohan Rao, Sujit Kumar¹, Sridhar R, , Phani Sekhar KR².

Department of Neurosurgery, Neurology¹, and Anesthesiology², Apollo Hospitals, Seshadripuram, Bengaluru

Neurooncology

Midbrain cavernoma

B. Ravi Mohan Rao, Karthik M, Ajith Kumar MB, Santosh CK, Sharat Kumar

Department of Neurosurgery, Apollo Hospitals, Seshadripuram, Bengaluru

Endoscopy

Endonasal transsphenoidal excision of a non-functioning pituitary adenoma by binostril four-hand technique

Chandrashekhar E. Deopujari, Nishit J. Shah¹, Salman T. Shaikh

Department of Neurosurgery and Otorhinolaryngology¹, Bombay Hospital Institute of Medical Sciences, Mumbai, India

Congenital

Dermal sinus with intramedullary epidermoid

Prakash Nair, JA Gohil, MA Jamaluddin, R. Gopikrishnan, K. Krishnakumar, Mathew Abraham

Department of Neurosurgery, Sree Chitra Tirunal Institute for Medical Sciences and Technology, Thiruvananthapuram

Peripheral nerve

Somsak transfer: Radial nerve branch to long head of triceps transferred to anterior division of axillary nerve

Nishant S. Yagnick, Nagesh Chandra, Sumit Sinha

Department of Neurosurgery, Paras Hospitals, Gurgaon, India

Spine

Minimally invasive-oblique interbody fusion (OLIF): An ante-psoas approach for grade 1 L4-L5 spondylolisthesis

Jayesh Sardhara, Deepak Khatri, Sanjog Gajbhiye

Department of Neurosurgery, Sanjay Gandhi Postgraduate Institute of Medical Sciences, Lucknow, India

Functional

Left-sided anteromesial temporal lobectomy (temporal neocortical resection, amygdalohippocampectomy, uncus and parahippocampal gyrus resection)

Jayesh Sardhara, Anant Mehrotra, Raghavendra Honna, Sunil Pradhan¹, Vimal Paliwal¹, Vinita E. Mani¹, AK Thacker²

Department of Neurosurgery and Neurology, ¹Sanjay Gandhi Postgraduate Institute of Medical Sciences, Lucknow; Department of Neurology², Ram Manohar Lohia Institute of Medical Sciences, Lucknow, India
