

DR. SUCHANDA BHATTACHARJEE
ADDL. PROF OF NEUROSURGERY
NIZAM'S INSTITUTE OF MEDICAL SCIENCES
HYDERABAD

General achievements:-

Joined neurosurgery residency in 1999 and gradually progressed to the current status of an additional professor heading a unit of neurosurgery in a busy center. Accomplished to do any major neurosurgical surgeries with major interest in pediatric neurosurgery and run the epilepsy surgery programme in the institute. Received few best paper awards and published few papers.

Regarding organizational and leadership skills it was first time as a class monitor in middle school to head girl in high school and then was involved in college leadership and anchor for sometime. Does organizational activities on a social platform in the locality. Part of women organization of the institute. Self has organized a few workshops in the institute and a national conference of pediatric neurosurgery in 2010. I am this year the joint co-organizing secretary of annual pediatric neurosurgery conference to be held in Hyderabad during January 2018.
